CALENDAR

Mrs. Genevieve Matthews

This year the Annual Staff finds it an honor and privilege to dedicate the annual to the faculty member who has helped to guide students into their future goals. Mrs. Genevieve Matthews has put much time, effort, and feeling into her position at Dora High for the past six years. Much can be said about this outstanding woman, but the word that sums up our feelings for you is, THANKS.

SENIORS

As you read this message, the full realization that an important era in your life has ended and should be understood. The record you leave behind not only in the classroom, but in athletic events and in school activities has been superlative. The type of leadership, the winning tradition, and the academic excellence you have established will be your legacy to future classes. I hope that as the years pass, you can look back and say that my years at Dora High School were both informative, rewarding and enjoyable.

Best of Luck,
Jim Crump
